

Monetary Donations 6-6-11

Thank you to our wonderfully generous neighbors who donated to the Garden Committee for the Front Entrance Project. May I add very special thanks to a very energetic and enthusiastic neighbor named Johanna Brown and her husband, David and their family. Johanna literally took this on as her "personal project" and didn't quit till it was completed. Thank you to those who "helped" and "suggested" and "signed up" for a week of watering and weeding over the next few months. We are lucky to have you in our neighborhood Johanna and we do have some pretty wonderful neighbors.

As Johanna said to me recently, "this will be a work in progress" with continuing additions and enhancements.

As we go forward the money left from your donations will be designated for Park Funds, which is your GHFCA fund for any and all improvements or enhancements to Durkin Park including the grounds, pavilion and play area as well as any of our other common areas like our front entrance.

Thank you again for your generosity and for those of you who really wanted to donate and didn't get the opportunity, please feel free to add a Park Fund donation to your annual dues check in any amount you wish when you give it to your block representatives as they collect annual dues over the next 7 - 10 days.

Thank you
Teri Guelcher, President GHFCA
